Innovation Xperience: Festo Automation for Good Challenge

Unleash your Vision for a better tomorrow

23.09.24 (9am – 5pm), 24.09.24 (afternoon)*

At Festo in Esslingen

The Innovation Xperience

An event where multidisciplinary student teams work within a defined time frame to create new ideas, innovative solutions, and prototypes addressing challenges set by companies and organizations.

The Festo Automation for Good Challenge

How can automation not only advance our capabilities but also serve as a catalyst for positive change in addressing the most pressing global challenges?

Contribute your vision in the following domains:

1. Sustainable Solutions for a Greener Planet
2. Healthcare Innovations for Global Well-being
3. Educational Breakthroughs Through Technology
4. Smart Infrastructure for Urban and Rural Development
5. Equitable Resource Management

Your advantages

- Get to know Festo and join the Festo.IO Conference
- Connect with like-minded innovators
- Gain methodical Know-How in Innovation & Startup basics
- Contribute to meaningful change
